REQUEST FOR AN INTERNATIONAL INDEPENDENT STUDY COLUMBUS STATE UNIVERSITY

CISI Insurance Acknowledgement Form

Center for Global Engagement

Columbus State University mandates that every CSU student studying abroad must have international health insurance coverage. This includes the following study abroad programs: faculty led, exchange, direct enrollment, international internships, international research and international independent study programs.

As a CSU student, I _____ understand that my enrollment and participation in a study abroad program requires that I be enrolled in international health insurance coverage.

Columbus State University, through the University System of Georgia, provides international health insurance coverage through Cultural Insurance Services International (CISI) at a cost of \$1.25 per day. Every student must have insurance coverage for the entire length of their program. Students will be enrolled in the coverage by the Center for Global Engagement.

The cost of CISI Insurance is included in all program fees for faculty led programs. Students participating in exchange and direct enrollment programs must purchase CISI Insurance through the Center for Global Engagement for the length of their program. CISI Insurance must be purchased no later than one month before the start date of the study abroad program.
