Name: \_\_\_\_\_ 909: \_\_\_\_\_

Department: \_\_\_\_\_

Contact Phone: \_\_\_\_\_

## At A Glance:

Visitors and Volunteers are asked to park in any area designated as Visitor Parking or one of the many white-lined spaces around campus.

Visitors and Volunteers are NOT allowed to park in any area that is designated as no parking, reserved, restricted, red-lined spaces, fire lanes, or bus parking only, in any loading zone for longer than the allowed loading time (15 minutes), or in any other areas not designated for visitors or open parking.

Visitors and Volunteers with accessibility needs should have a state-issued accessibility-parking placard or license plate in order to park in a designated accessibility parking space. A visitor parking permit and vehicle registration with Parking Services are still required.

Please note that all long-term visitor and volunteer passes expire on July 31 and must be updated yearly.

## Vehicles

Only one vehicle may be parked on campus per permit. It is the permit holder's responsibility to update Parking Services with any vehicle changes, even if only temporary. Failure to register additional or new vehicles may result in ticketing.
